JUNIORS - The method TIP TOP ! offers a world of activities to arouse the desire to communicate. The pedagogy used here gives children the opportunity to check their own progress. Fun tests allow them to develop good habits and excellent abilities in the French language. Students will play and have activities in French and an evaluation at the end of each unit to verify their learning proficiency. This class provides a good way to develop skills to be a self-teaching student and to take responsibility for learning.

CHILDREN UP TO 8 YEARS OLD

LA MATERNELLE is an immersion program designed exclusively for children from 2 to 5 years old. Students learn and reinforce their French through a variety of activities, such as arts and crafts, discovery of shapes and numbers, and reading exercises. French nursery rhymes, dance, games, and stories are also part of the class. Children will use the same textbook and activity book used in the preschools in France. Classes are conducted entirely in French. Children must bring their own lunch.
